DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 and 21-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: Butts et al. U.S. Patent 6,467,153. Butts discloses a disc drive comprising a head disc assembly with a basedeck supporting a head stack assembly, the head stack assembly inserted onto the basedeck (Fig. 14 and col. 1, lines 18-30). Butts does not disclose steps for inserting a first member onto a second member used in qualifying the disc drive based on an observed mechanical resistance to the inserting. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
